

STATE NEWS.

Edward Seward, convicted of bootlegging at Lowell, was tried in Eugene Friday, and, being convicted, paid a fine of \$50 and was given a 30-day sentence in jail besides.

Eugene will make an exhibit of Lane county products at the Chicago land fair in November.

A banquet given in Pendleton, who was about to be married, included Manhattan cocktails, and other drinkables, and the 19 young men who gave the banquet have been hailed before the grand jury for violating the local option law.

At Forest Grove Thursday a wedding was performed under an umbrella, because the house where the wedding was to take place was just outside of the officiating justice of the peace's jurisdiction. The party walked across the street and the knot was tied fast under a big umbrella.

A flow of hot water was struck at 50 feet by a farmer digging a well in the Santiam country.

X-RAYS AND SMILES.

A public office must be of the feminine gender because after the nominations the leaders always cry now then let's pull together, to get her.

The next irrigation congress is to meet in Chicago and the next conservation congress in Boston. Well, the dry ones can irrigate in Chicago and the conservation business is only conversation hence Boston with its cultured speech.

The auto is a great aid to the inheritance tax.

Now is the season when the principal occupation of some newspapers is mailing campaign lies. They should be screwed or the nails clinched or something for they have never been known to say nailed.

Think of Willie Hearst taking second place on his own ticket.

Roosevelt should have his verbiage appendix removed.

A Chicago man 92 years old was married for the first time last week. His married life bids fair to be all honeymoon, unless Death hangs up his scythe.

A prehistoric jawbone weighing 40 pounds has been found in Indiana. Some old time politician once owned it no doubt. It isn't in the T. R. class, though.

Lincoln, Nebraska, shows a decided decrease in population in the last ten years. It is possible this is one of the effects of Bryanism. Lincoln should have shown a gain of 16 to 1.

CAN SECURE SEATS NOW FOR MISS YAW'S CONCERTS

The attendance at Miss Yaw's concerts is always so great that many who would like good seats are not able to obtain them unless they get their reservations in early. Orders for seats will be received, from now on, by Mr. W. O. Holcomb, manager of the Grand Opera house, Salem, Oregon, when sent through the mails, accompanied by proper remittance, and duly numbered, and reservations made in the order in which applications are received. The seat prices will be: \$2.50, \$2.00, \$1.50, \$1.00, 75 cents, and general admission 50 cents, and, considering the high class of the attraction, these prices are very reasonable.

Two Methods—One Result—

The "Green Goods" man pretends to sell his victim what he wants, and gives him something else instead. The "Substituter" uses his persuasive powers to induce his victim to accept what he does not call for. Each uses a different method, but the result is the same. No reputable merchant will offer you a substitute when you call for a standard advertised article. Patronize home advertisers.

Capt. Bogardus Again Hits the Bull's Eye.

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I suffered a long time with kidney and bladder trouble and used several well known kidney medicines, all of which gave me no relief until I started taking Foley's Kidney Pills. Before I used Foley's Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arriving in the morning I would get dull headaches. Now I have taken three bottles of Foley's Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self. This I owe solely to Foley's Kidney Pills and always recommend them to my fellow sufferers."—Red Cross Pharmacy (H. Jorman)
